July 9th 12:20-1:20pm	*Discussion of future GeoMIP simulations.*
July 9th 1:20-2:00pm	*Further discussion/other topics.*

As for the presentations, I will later on ask you to upload a 15 minutes max video of your talk, accompanying slides, or a poster, *up to 1 week before the meeting date*, to allow everyone to watch or read about your results. During the meeting, you will provide a 1-slide summary of your work and will have 3 minutes to summarize your presentation.

More details will follow later on.
